

Hello, I am

RAGUL D

UX/UI Designer

Passionate and innovative UX/UI designer with 12+ years of experience crafting seamless and visually appealing digital experiences. Proficient in user research, information architecture, wireframing, interaction design and prototyping. Adept at collaborating with cross-functional teams to deliver engaging solutions that meet user needs and business goals.

EXPERIENCE

ITOrizon India Private Limited

UX/UI Lead

May 2025 - July 2025

- Led UX/UI design for enterprise Supply Chain Management systems, crafting scalable solutions that enhanced usability, streamlined workflows, and improved clarity and performance across logistics modules.
- Established a design system from the ground up, defining UI components, interaction patterns, and visual guidelines to bring consistency and scalability across the product ecosystem.
- Created high-fidelity, responsive prototypes in Figma, accelerating design reviews, and streamlining handoff to development teams.
- Mentored junior designers, conducted design reviews, and led knowledge-sharing sessions to uplift team capability and ensure adherence to UX best practices.
- Contributed to sprint planning, UX audits, and design QA processes as part of a cross-functional agile team.

Tech Mahindra Limited

Client: **verizon**

UX Tech Lead

May 2022 - Apr 2025

- Collaborated with cross-functional teams to define product requirements and user stories, ensuring a clear understanding of project objectives and user needs.
- Developed wireframes, user flows, and prototypes using Figma tool to visualize and iterate on design concepts.
- Designed intuitive and visually appealing user interfaces for web and mobile applications, adhering to brand guidelines and accessibility & usability standards.
- Conducted heuristic evaluations and competitive analyses to identify opportunities for improvement and innovation in existing products.
- Designed and maintained design systems and component libraries to ensure consistency and efficiency across multiple projects.
- Managed multiple projects simultaneously, prioritizing deadlines and deliverables to ensure timely execution and delivery of high-quality design assets.
- Mentored junior designers and conducted design workshops to share best practices and foster a culture of design excellence within the team.
